

## Le Mouton

Le Mouton is a brand of accessories in leather and wool felt. They are timeless products and carefully handcrafted with fine finishes and excellent quality. They belong to the Country Brand of Uruguay Natural.

With an entrepreneurial spirit and passion for design, two friends of Industrial Designers, Lucie Beare and María Eugenia Pienovi created Le Mouton in 2016.

With a fresh and avant-garde look, the brand uses noble raw materials combining Uruguayan leather and wool felt giving their collections an original and modern touch. Le Mouton products are timeless and carefully handcrafted with fine finishes and excellent quality. Its already recognized backpacks and purses provide urban women with functionality with modern and practical designs.

The brand not only offers products for women but is constantly growing to incorporate products for men.
