Uruguay VideoGames

Uruguay offers a convenient ecosystem for the video game industry. A highly innovative country, Uruguay provides the creativity and skilled talent to develop world-renowned video games.

The country's world-class technology infrastructure, advanced and progressive policies, and ease of doing business makes Uruguay the LATAM #1 hub for global tech companies.

PASSIONATE AND CREATIVE YOUNG TALENT

- **Out-of-the-box thinking**
- **Qualified and experienced**
- **#1 IN LATAM** offering industry-related university degrees and free access to education at all levels.

FRIENDLY ECOSYSTEM

- World-class tech infrastructure
- Outstanding tax benefits & financial freedom
- Government support
- Collaborative gaming community

IRONHIDE GAME STUDIO

GAME STUDIO

LOOKING FOR: [PR](#)

We are a Uruguayan video game studio that develops multiplatform games. Creators of the award-winning saga Kingdom Rush and Iron Marines.

ABOUT THE GAME

In the depths of uncharted territories, a formidable evil emerges!

As a formidable alliance takes shape, it hangs by a thread, knowing that while both parts may journey together at the beginning of their quest, the shifting winds of change could instantly redirect their path.

Embark on an epic journey alongside the valiant warriors of Linirea and the relentless Dark Army as they unite to conquer a colossal foe.

With greater power and menace than ever before, Kingdom Rush 5: Alliance brings forth a fresh, exhilarating experience, building upon the lightning-paced and captivating gameplay that propelled its predecessors to award-winning status.

GAME STUDIO

LOOKING FOR:

PUBLISHERS

FUNDING

We are Magical Beast Games a game studio founded by three veteran developers of the industry with over 13 years of experience in what we do. We are currently developing Cleanup Crew, a survival shooter for PC.

ABOUT THE GAME

Cleanup Crew is a twin-stick survivor shooter game where you will face non stop action across Doomsday scenarios. Choose your starting loadout and customize your build. Carve a path between enemies, fulfill emergent objectives and survive long enough for extraction.

FIREBORNE GAMES

GAME STUDIO

LOOKING FOR:

PUBLISHERS

FUNDING

Fireborne Games is a small VR game startup from Uruguay focused on creating immersive and innovative VR game experiences. Now working on their first title. "Airborne Arena"

ABOUT THE GAME

Airborne Arena is coming soon to Quest's AppLab! Airborne Arena is an action-packed, intuitive and immersive shooting-racing game where you play as a hoverbike rider in 2058's Rider City. Race against the different gangs and raise to the top in Airborne Arena's single player campaign or meet up with friends old and new to race multiplayer races and battle it out in the deathmatch arenas!

Game developer who is interested in creating games that tell stories through gameplay. I view the experience of playing through a game as a conversation between the player and the developer, I want to explore what that means in my work.

ABOUT HEAT DIVISION RESCUE TEAM

Systemic speedrun platformer about emergency services with warm Cyberfunk-inspired visuals seen through grungy but cartoonish pixel-art. 4 playable firefighters with unique abilities. Rescue civilians from burning buildings, natural/artificial disasters. Find the fastest way to complete each mission, using tools provided: ladders, water buckets, axes to destroy objects blocking the way, and more.

ANUBIS PROJECT

GAME STUDIO

LOOKING FOR:

PUBLISHERS

FUNDING

A simple Uruguayan indie studio, the most sincere way to describe myself, I am a solo developer, a crazy dreamer, passionate about the world of video games, with a single goal, that at least one person in the world enjoys my games.

ABOUT THE GAME

The adventure takes place in the subconscious of an old grandma with Alzheimer's, this person has lost most of his memories, and along with them, the perception she had of himself, is like an empty shell, now she must travel to the most remote corners of the oneiric world that lives in his head, fight against his fears, survive his nightmares and flee to the paranoia of the unknown, in order to rescue fragments of memory that still remain...

GONZALO VARELA

COMPOSER, SOUND DESIGNER

I am a composer, sound designer and guitarist born in 1990 in Montevideo, Uruguay. I am characterized by a strong interest in learning very different kinds of music, which enables me to create original music that responds to the communicative and expressive needs of each moment. My passion for artistic collaboration has led to my work being part of six video games (including releases for Nintendo, Sony and Microsoft consoles, as well as Windows, iOS and Android devices), two feature films, three audiovisual series, thirteen short films, eleven theatre plays and other media.
