

## ABUNDIA Propiedades

We are a company that specializes in the sale of new construction properties in Uruguay and some countries abroad.

We are a company that specializes in the sale of new construction properties in Uruguay and some countries abroad. We also incorporate our experience in neuroscience applied to the generation of Real Estate Assets for our clients. With MPI = Investor Power Method, our main program to accompany the real estate investor, we provide a unique perspective on real estate, helping you with everything you need to understand to make a wise purchase decision.

If you are looking for personalized, high quality service, you are in the right place. At Abundia your dreams fulfilled with Activos Inmuebles are our goals. With respect to foreign customers, conversations to date have been with Spanish-speaking customers.
