

ALFLogística

We are a logistics services and foreign trade company.

We are dedicated to the management of international and national cargo transportation in Uruguay. In international transportation we coordinate loads with airplanes, ships and trucks covering the whole world. We load merchandise of all types and all volumes.

In Uruguay we have a very important fleet of open and closed trucks. One of our characteristics is that we provide advice and communication throughout the process. We differentiate between safety, speed and efficiency in operations.

Our second business area is the introduction and sale of products for international markets. Our services are: Internationalization plan, market analysis, search for buyers and sellers.

We work with globally recognized clients.
