

Anubis Suárez - Medicina Laboral para Empresas

Dr. Anubis Suárez in a professional sole proprietorship with activity since 2023 in Uruguay, whose mission is to make companies places that integrate the culture of workplace prevention as a primary part of their organizational structure.

Dr. Anubis Suárez Professional Unipersonal Company. I am a Consultant in Occupational Health and Medicine with 10 years of experience, helping companies to implement effective Strategic Occupational Medical Prevention Programs, to avoid occupational diseases, accidents at work and control of work absenteeism, which improve the company's productive practices. . in a tangible way, with a focus on the ISO 45001:2018 Occupational Health and Safety Management System standard. The strategic occupational prevention programs that I offer provide real solutions to situations related to workers' health for companies and legal compliance (Decree 127) through the use of their own validated and existing methods, which translate into results. Among the proposed solutions are the following: - Occupational Medical Evaluation Program. - Work Absenteeism Management Programs. - Occupational Epidemiological Surveillance Program. - Analysis of work area and critical areas. - Specialized Training. - Advice on Occupational Medicine. - Comprehensive Occupational Health Management Program.
