

## Casulo - Giraldez & asoc.

Agrobusiness

### Casulo-Giraldez&Asoc-Agrobusiness

Casulo-Giraldez & Asoc specializes in the area of agribusiness. Power business, generating solutions and coordinating between the various key players in each case. Professionals with vast experience in the industry automotive and agribusiness.

We are the consulting company specialized in working in 3 areas of action:

a-Business Development: We accompany companies in the development of your projects. We provide comprehensive advice from the analysis of the idea of project and elaboration of the business plan.

b-Investments: Accompaniment from the feasibility analysis phase to the commissioning of the draft. We guide companies throughout the process investment or re-investment.

c-Exports: Planning, design of the action plan and implementation with the export objective. Technical advice on origin, access to markets and other related regulatory aspects with the export for the specific case. Market profiling

EXPERIENCE IN ASSISTING FOREIGN INVESTORS

Yes, we work on the basis of clear objectives that we define together with the client. We get involved in the projects, getting involved in each subject and providing the necessary support to the companies for the development of the business.

We are strongly based on relationships of trust. Public-Private Articulation, seeking to promote businesses that benefit companies and the countries in which we operate.

We are committed to development in fair competition. We have experience with American, Brazilian and Argentinean companies and vast experience in Uruguay.
