

## GRO Consultores & Asociados

Contadores & Asociados

We are a group of professionals with several years of experience working with clients from different sectors of activity, accompanying them in their growth.

GRO Consultores is a firm dedicated to the legal, notary, accounting, tax, financial practice and other aspects of business management with the aim of providing comprehensive advice regarding all types of commercial activity. We have a portfolio of clients from different sectors of activity ranging from agricultural to industrial production. We have a department specialized in serving non-resident entrepreneurs who seek structures in Uruguay for Offshore companies and wealth management.
