

JOTA

JOTA

We are an agile and dynamic Design and Development Software Factory, passionate about business transformation according to the new digital paradigm.

We are an agile and dynamic Design and Development Software Factory, passionate about business transformation according to the new digital paradigm. We create digital solutions and link them to brands to achieve the stated objective. For more than 10 years we have come a long way in the different areas that make up digital. We are passionate about what we do and that is why we update every day with the latest trends in design and development.

EXPERIENCE IN ASSISTING FOREIGN INVESTORS

Si. We serve investors, especially those who decide to enter or develop their businesses in Uruguay to support them in the development of their digital presence.
