

Kosak Inversiones Inmobiliarias

, Montevideo

Kosak Inversiones Inmobiliarias. Since 1970 - Commitment, Trust and Innovation in Real Estate in Uruguay; Montevideo, Ciudad de la Costa and Punta del Este. Rentals, Sales and Investments in Real Estate.

Kosak Inversiones Inmobiliarias was founded with strength and enthusiasm almost 50 years ago by Jorge Kosak and today, 3 generations later, it continues to challenge itself to offer a service and unique opportunities to its clients with the commitment to continue Leading, Innovating and Promoting the development of the Real Estate in Uruguay. Excellent customer service was always a priority for Kosak, with technological progress, all digital platforms and social networks began to be used to bring our offer closer to all potential customers.

In 2021 we challenge ourselves again and launch the First Local Network of Associated Brokers. We were pioneers in opening strategic offices and today in the middle of the Digital Era we continue to bet on continuous innovation and human capital, investing in new technologies, Marketing, Big Data and Omnichannel presence. In 2022 we will launch 2 new business units: Kosak Labs and Kosak Sales.

Our Mission is to provide our clients with the solutions they need in an efficient way in relation to the market together with an excellent investment experience, and to be a dynamic tool for the Uruguayan real estate market.
