Real Estate Agents specialized in Rural businesses. We have a wide portfolio of Farms, Fields, Properties and the advice needed for each type of business. Our services also include property management, appraisals, measurements, property exchange, successions, partitions, agricultural and veterinary technical advice for all our clients and investors. The vocation of service is one of our pillars, an attitude that distinguishes us so that our clients feel supported throughout the process of a purchase and sale operation. We offer you from the down payment or reservation to the execution of the deed all the necessary advice: legal, accounting and tax, among others. We have fields throughout Uruguay and representative agents in Montevideo, Maldonado, Punta del Este; with collaboration and advice in Buenos Aires, Argentina. We encourage teamwork and strive to achieve a level of excellence, always complying with the ethical standards of the profession.
