

JUAN JUNCAL

CHIEF TECHNOLOGY OFFICER AT VUCE

✉ juan.juncal@vuce.gub.uy

☎ (598) 2916 6878

📍 Rincón 518 | Montevideo, Uruguay

Juan Juncal has been the technology manager at the Single Window for Foreign Trade (VUCE) since 2012. He holds a bachelor's degree in Systems from ORT University in Uruguay and a master's degree in Technology Business Management, and has a solid track record in digital transformation, the development and implementation of technology solutions, project management, and team leadership in the field of foreign trade.

He has been part of the VUCE since its beginning and actively participated in the design, development, and implementation of the platform and the systems that support it. In addition, he contributes to the design of strategic objectives, the formation and management of the work team, and the incorporation of agile methodologies for the development of innovative solutions.

He represents Uruguay in the Inter-American Network of VUCEs, where he has served as a speaker and moderator on initiatives related to trade facilitation and regional interoperability. He also leads international integration projects such as the Digital Certificate of Origin (COD) with the Pacific Alliance through VUCE Uruguay and participates in the integration of the MERCOSUR COD alongside international organizations.
